Update [September 2024]!

After the publication of the FTF Indicator Handbook in November 2023, a few updates to FTF indicators were made. Most of these were minor clarifications to the definition sheets (“Performance Indicator Reference Sheet” or “PIRS”), but there were also some bigger edits, archival, and additions to HL.9 indicators.

All updates are summarized on the table below and reflected in the updated FY24 PIRS files in [this folder](#) and in the individual ‘Clean PIRS’ links below.
